

## MICHAEL SCHWARTZ

**Chef/Owner, Michael's Genuine Food & Drink**  
Standing in line on a Friday night for a few hours to sample some of the menu items Schwartz has created may not be ideal, but it is definitely worth it. The talented chef has been hard at work in the kitchen since the age of 14, evolving into the nationally renowned chef he is today. His hard work has paid off because the unpretentious ambiance at his eatery, Michael's Genuine Food & Drink, is part of its appeal.
